

Canine Obedience Schools/Classes

Woodhaven Veterinary Clinic wishes to encourage all owners to participate in the lives of their dogs through obedience training!

Please recognize that the training methods used vary greatly among these schools. To ensure the best fit between you, your dog and an instruction method, try to **Observe A Class Before You Sign Up**. (We have attached a list of things to look for in an obedience class).

We hope that this information and the referral list are of help. Do not hesitate to call the clinic if we can offer additional help. 206-546-5164.
